SETTING UP A PROFILE

You will be required to set up a family profile on **4HOnline**, the on-line North Carolina 4-H Enrollment and event registration program. The family profile will be where the members (Youth & Adults) will enroll. The website can be found at https://nc.4honline.com

If you need to create a family profile, select "I need to setup a profile," complete the fields required and click Create Login.

What happens if it says User account already exists? This means a family profile exists with that email address because your child was already enrolled through their local Extension Office. Select "I forgot my password" and a new password will be emailed to the email address on file. Please do not create a 2nd account! Then follow the steps on the tip-sheet, Re-Enrolling in 4hOnline.
